

Midwest Classic Insurance Agency

“Taking care of your insurance needs – personally”

March 20, 2008

Dear Collector Car Owner,

RE: Elite Insurance
American Modern Insurance Company

Thank you for allowing Midwest Classic Insurance to provide you with a quote on your collector car. In order to secure coverage, please complete the attached applications and return by US mail, fax or email. In addition we will also need the following items:

- Photos showing all four sides of the vehicles, interior and engine (can be emailed if you have capabilities to do this).
- Copy of declaration page from each daily use vehicles showing limits of liability for each vehicle in household.
- Check for annual premium payable to American Modern Home or contact our office to make a credit card payment over the phone.
- As a reminder this is a limited mileage program, if you would go over the mileage a claim can be denied.

Please review the application carefully, and be sure to sign on the back. Once the items have been returned to our agency, we will advise you when coverage has been bound. Should you have any questions concerning the application, please do not hesitate to contact us. Please include an email address if you have one as this can speed up acceptance time on your application.

Sincerely,

Robbin R. Terry, CIC
